

APPLICATIONS > The BLOK 4" sconce offers contemporary styling in a sleek, minimal package. At a mere 4" square, BLOK is a beautifully simple and stark accent piece, designed for multi-use capability indoor and outdoor. Choose single wide beam direct or indirect; dual wide beam direct/indirect; direct/indirect with a narrow/spot upper beam, or choose a striated/multi upper beam as a unique accent. This sleek little box is ideal for numerous contemporary applications: Hospitality, Corporate Offices, Hospitals, High-End Residential, Retail, Atrium, Restaurant and Entertainment Venues. Versatile as an interior/exterior fixture, BLOK may brighten up a drab exterior garage or walkway wall, invoke drama on a mundane interior hallway or stairwell, or highlight hidden architectural details.

LED > Cree XTE LED Blue chip emission, 85+ CRI, 540lumens. 50,000hrs working lifetime.
